Jack – hope you're well.

We are hoping to do a video highlighting the HRC's record as Secretary of State. We are interviewing a number of former officials, not to seek their endorsement in any way, but just to get them to reflect on what she contributed and what kind of diplomat she was. We would love to have Minister Barak sit for an interview and answer a few questions about his experiences with her. Could you help us make that happen?

Thanks,
Jake
